

GOALS

1. To bring together students of high ability in order to be challenged and stimulated by students of like ability;
2. To provide accelerated and differentiated academic opportunities for students of high intellectual and academic achievement;
3. To offer a rigorous academic curriculum which will prepare students for learning opportunities at the secondary level and beyond;
4. To provide students with opportunities to learn how to learn, which requires organizational skills, study skills, and persistence in the face of difficulty;
5. To address the social and emotional needs of students through peer interaction and fostering a sense of community; and
6. To offer an environment where high ability students are encouraged to reach their full potential.
