## COLLEGE VISITATION ENCOURAGED

A good time to begin exploring colleges that you may be interested in attending would be this spring and summer. September 24, January 20 and February 18 are e-learning/built-in snow dates that students will no school. These dates, in addition to spring break, would be excellent times to visit some campuses you wish to see.

Students are allowed to take a total of **three** days to visit colleges during their Junior or Senior years. Students must make their own arrangements with the college's office of admissions for an appointment. After the appointment is made the student must get a Field Trip form from the Attendance Office or the Counseling Center, and have each teacher, plus a parent and their counselor, sign the form. The form must be turned in to the Attendance Office at least **two** days before the visit. The student **must** give the attendance office a written statement from the college confirming the visit in order to have the absence excused. Otherwise the absence will be unexcused. This written statement should be given to the Attendance Office the day after the visit. **No college visit will be approved during the last week of a nine weeks, during final exams, or after the first Friday in May, unless initiated by the college for testing/registration purposes. EXCEPTIONS TO THIS POLICY MAY BE APPROVED ONLY BY AN ADMINISTRATOR.**

Many colleges visit New Castle High School during the school day. Colleges visiting NCHS during the week will be announced on Monday. Students wanting to meet with the college representative **must** sign up on the Counseling bulletin board and receive a pass to visit. Teachers may or may not honor the pass.

## DEADLINES

Many college applications and scholarships have deadlines that must be met. Often students forget to give counselors and other people involved enough time to complete their portion of the application in order to meet the deadline. As you are applying **PLEASE BE CONSIDERATE OF TIME RESTRAINTS ON OTHERS HELPING YOU.**

## SAT/ACT INFORMATION

**If you plan to go to college, you should take the SAT exam once this spring.** We suggest that you take it in October, December, March or May, since it will be given here in New Castle. Should you wish to retest, you may register in the fall of your senior year. It is wise to check with your chosen college to verify their expectations for this test regarding admission. You may wish to consider the ACT exam, especially if you plan to attend school in another state. Registration materials are available for both of these tests in the Counseling Center. Registration is done online and includes uploading a picture. Be sure to enter the NCHS code number – 152533 – so the High School will receive your results. **Twenty First Century Scholar students and students receiving free/reduced lunch can get the SAT, as well as some college applications, paid for.**

**SAT Dates at NCHS – 8:00 a.m.**
