EMPLOYEE

HEALTH GOALS

## Tier One Network Access

- Henry Community Health
- St. Vincent Hospitals and Providers
- St. Vincent Neighborhood Hospitals
- Hancock Regional Health Hospitals and Providers
- Little Clinics (Inside Kroger Stores)
- Daviess Community Hospital
- Behavioral care through Midwest Behavioral Health
- Chiropractic care through Magellan Chiropractic
- 5000+ primary and specialty care physicians

- Unified Group Services (UGS) serves as the third party administrator and works with St. Vincent Direct to provide all member services

- Those using out-of-network services will be encouraged to move to an in network provider and to utilize services at the Employee Wellness Center

- UGS and St. Vincent Direct will work with members on complex care continuity or transition requirements to meet needs and minimize costs for New Castle and the member
