Due to COVID-19 we have limited spots available for latchkey this year. We will accept applications on a first come first serve basis. We will charge by the week/day as we must keep track of the allotted # of students at each site, this is a change from before where we charged an hourly fee and did not require a schedule to be given to us. We will need to know your child's schedule for attending Latchkey. The registration fee is the same \$25.00 per Family. The cost will be \$50.00 per week/\$15.00 per day with discount available for those families receiving Medicaid, snap etc. As well as a multi child discount.
