# PPE

Front Office Desks have been outfitted with plexiglass.

Non certified staff will receive a cloth mask

Non certified staff may request a face shield (all who request will be provided one)

Non certified staff who have a desk may request plexiglass through the building principal.

# PPE Continued

Each **Teacher** will receive:

- Cloth Mask
- Face Shield
- Hand Sanitizer (4,800 8 oz bottles)
- Disinfectant wipes
- Bottle of cleaning solution for desks (middle high for now)
- 32" tall X 48" wide desk Plexiglass barrier upon request to the building principal (may take a few days to get it to you)
- Disposable masks to provide to students

# PPE Continued

ADA Accommodations for all staff - Accommodations beyond the standard PPE will require communication with Jena Schmidt. A Dr.'s note will be needed for accommodation such as the following:

- Gloves (with improved supply, will be available without documentation)
- UV Light Wand
- See through movable barrier (Draper Shield)
- N95 Mask
- Other possible accommodations

# Virtual Academy

- Outstanding collaboration. Model Program....
- 22% of our students are enrolled in the VA
- Benefit of NCCSC Virtual Academy Design
  - VA vs. 3rd party online program (outsourcing)
  - Individualized and personalized for students and parents
  - We maintain curriculum (Indiana Standards - not National Common Core)
  - Flexibility - move from one format to the other (helpful with COVID symptoms)
  - Allows our employees to build library of lessons for future use
  - Both Virtual and Brick and Mortar on same pace
  - Students in Virtual can adhere to their schedule
  - Students remain connected with New Castle teachers and schools
  - Built in support to monitor progress with teachers, VA Coordinators, Counselor, Principal to connect. National graduation rate 79% vs 43% Virtual programs
  - We need your help to:
    - Get off to a great start
    - Support the Virtual Academy Program

# Virtual Academy Continued
