

## Information for Westwood Elementary Families: Virtual Learning November 16th - December 11th

**As of November 16th, Westwood Elementary students will be learning through the virtual framework thru December 11th. We should be back in session at school Monday, December, 14th.**

**K-1 Students:** Your child should have received a packet of work along with your student's Chromebook and charger. Teachers will be posting lessons on Google Classroom for instructional purposes in order to help the students complete the packet work with better understanding. Continue to communicate with your child's teacher through Class Dojo. Your child's teacher will post important information through this means of communication.

**2-6 Students:** Your child should have his or her Chromebook and charger at home. Some students may also have classroom textbooks or papers to complete throughout the virtual learning window. Students are to participate similarly to how they do when they are in the building. Teachers will be hosting LIVE video lessons for students which will also be recorded for students who are unable to attend LIVE or to watch back with additional questions. Continue to communicate with your child's teacher through Class Dojo or Remind.

Your child's teacher will post important information through these means of communication.

Students need to participate **EACH** day in order to be counted as presented for the school day. This includes turning in classroom assignments, checking in with the teacher through an Attendance Google Form, or participating in LIVE video lessons.

Attendance will be taken for every instructional day. The attendance form will be found on your child's Google Classroom.

**If a student is too ill to participate, please 765-521-7215 to report the absence.**

**It is very important for the school to be made aware of a positive COVID test result or other COVID related issues as well.**

Students with IEPs will continue to receive services as noted in the IEP and their Teacher of Record will contact families to remind them of the framework for all provisions. Please contact your child's Teacher of Record with any questions.

PowerSchool access is very important for parents during virtual learning. If you do not have your PowerSchool account set up, please contact Mrs. Lewis.

If your child has any technology needs, please call the school office. The NC Technology Office is also available to assist if necessary @ 765-593-6691.

Meals are available for students. If you would like to receive a meal, please go to the following website to register for meals for the weeks of Nov. 16 and Nov. 23rd.

<https://docs.google.com/forms/d/e/1FAIpQLScLn7rP4x0klYEUMYout2iVElBbzfcA5GvWhJTTFXbdMjcRoQ/viewform>

**Additional guidance for meal pick up will come for the weeks after Thanksgiving .**

If you have any additional questions,  
please call Westwood Elementary at the number listed below.
