What if we can't afford the payment costs?

We want to work with any family to be able to provide pre k I for our families. Our goal is to become an On My Way Pre-K provider which would enable families to qualify for state-funded vouchers. Unfortunately, our NEW sessions of Pre K we will not be able to qualify to be an On My Way Pre-K provider until we have been in operation for one year. We plan to develop local scholarship support that families can also apply to receive . We will give further information on this as requested.

Why are the pre K sessions only available for 4-year-olds?

Our goal in Tiny Trojans Pre K will be to prepare students for Kindergarten and develop school readiness skills along with some academic content.

Do I have to live in the New Castle Schools district?

No - any family is welcome . However, we do have a seating capacity in our rooms and reserve the right to reserve the spots first for New Castle Schools residents.
