immediate family is defined as being a grandparent, grandchild, father, mother, brother, sister, wife, husband, child (and each similar relationship established by marriage), foster child, or a blood relative residing in the household of the absent teacher.

In addition to the five (5) days provided in the paragraph above, in the event of the death of an uncle, aunt, niece, nephew, or cousin (and each similar relationship established by marriage) one (1) day's absence, without loss of compensation, will be permitted (this is to provide time off to attend funeral services, if such are held on a school day).

Neither the five (5) days nor the one (1) day mentioned can be accumulated.

C. Family Illness

There will be no loss of compensation not to exceed a total aggregate of five (5) work days if taken at the time of serious illness, major surgery, or serious accident of a father, father-in-law, mother, mother-in-law, brother, sister, wife, husband, child, step-parent, step-child, foster child, grandparent, grandchild, foreign exchange student residing in the household, any individual to whom a medical power-of-attorney is legally recognized, or a blood relative residing in the household of the absent teacher. Two (2) of the five (5) days in this provision may be used for maternity and/or paternity leave and adoptive leave. One (1) of the five (5) days of this provision may be used for the birth of a child or grandchild in the immediate family. These days are not cumulative.

When a family member covered by this provision has a life-threatening illness as documented by a physician with an unlimited license to practice medicine, a teacher may, upon approval by the superintendent, use up to a maximum of fifteen (15) days of accumulated sick leave in addition to the five (5) family illness days. All documentation shall be submitted to the superintendent prior to any days granted.

D. Temporary Closing of School

If, during the term of a teacher's contract the school or schools are closed by order of the New Castle Community School Corporation, or by order of the health authorities, or if, through no fault of the teacher, school cannot be held, such teacher shall receive regular payments during such time the school or schools are closed.

When a school or schools are closed for a full day(s) under this provision, a teacher requesting paid or unpaid leave day(s) shall not have the leave day(s) charged to the teacher unless the teacher is absent for ten (10) or more consecutive days.

When a school or schools are closed for less than a full day under this provision, paid or unpaid leave day shall be charged to the teacher.

These meetings and visits shall be subject to the approval of the building principal and the superintendent.

F. Sabbatical

Opportunities may be given to staff to study or gain work experience during the regular school year. Compensation may be granted.

G. Organizational

In addition, one (1) organizational day may be granted to a representative from each building for attendance at the General Assembly for legislative concerns of mutual interest to the school corporation and the professional staff.

H. Jury Duty

Any school employee covered by this Master Contract who is called to jury duty is permitted to fulfill this civic obligation and will be paid his/her regular wages for days lost from work less the amount received for jury duty.

I. Court Leave

Court leave with full compensation shall be granted to contracted teachers for any school day(s) to make appearance(s) in any court proceeding resulting from activities relating to their employment with the School Corporation except when the contracted teacher is the plaintiff.

J. Personal Leave

Each teacher will receive four (4) days personal leave each school year. The intent of this provision is to provide the teacher with time, without loss of compensation, to conduct personal business which could not be done on non-school time. Leave shall be granted upon written request to the superintendent through the building principal. The request should be on file in advance of the date to be used when at all possible. Teachers are urged to use this leave judiciously and to avoid dates at the beginning or close of school or vacations. A teacher shall be allowed to carry over one (1) unused personal leave day to a maximum of five (5) days. Any other unused personal leave days shall be added to the total of unused cumulative sick leave.

K. Maternity

In accordance with Indiana Code 20-28-1 0-5, the following shall be in effect: Any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, if she is able to fulfill the requirements of her position. Temporary disabilities caused by pregnancy shall be governed by the same provisions governing sickness and by the following:

- i. Any teacher who is pregnant is entitled to a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if, except in a medical emergency, she notifies the superintendent of the school corporation in which she teaches at least thirty (30) days before the date on which she desires to start her leave. She shall also notify the superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately upon her request and certification of the emergency from an attending physician.
- ii. All or any portion of leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick leave. However, the teacher is not entitled to take accumulated sick days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay. After her available sick leave has been used, the teacher may be absent without pay, subject to subsection i of this section.
- iii. This leave may be taken without jeopardy to re-employment, retirement and salary benefits, permanent status, and seniority rights.

L. Paternity

The teacher may be permitted to utilize up to eight (8) personal earned sick days along with the current two (2) family illness days, and may take additional time away from work, subject to the provisions of FMLA.

M. Adoption

The teacher may use accumulated sick leave days up to twenty-five (25) school days for paid adoption leave, which must be taken within a period of fifteen (15) calendar days before receiving the child to forty-five (45) calendar days after receiving the child. In a situation where both parents are teachers in the School Corporation, they may use only thirty (30) paid sick days collectively for adoption leave.

IV. WORKER'S COMPENSATION

All licensed personnel are insured through Worker's Compensation. However, an accident report should be completed and filed within forty-eight (48) hours following any said accident which is incurred while on duty.

Physicians required appointments for follow-up care relative to injuries sustained while on the job within the scope of the employee's responsibilities will be allowed without loss of pay or reduction of sick leave benefits.

ARTICLE IV

I. GRIEVANCE PROCEDURE

A grievance may be filed by an individual on his/her own behalf or by individuals on their own behalf. If two (2) or more teachers file a grievance, each teacher must sign the grievance form. No disciplinary action will be taken because a teacher files a grievance.

The Superintendent, on form GP-3-b, shall notify the grievant of the time and date the grievant's appeal will be heard.
- B. The Superintendent, or his designated representative, shall meet with the grievant and grievant's own representative to hear the grievance within ten (10) days after receipt of any written grievance properly filed with the Superintendent's office and shall render his/her decision using form GP-3-c within ten (10) days after such hearing.

Written notice of the hearing date and time shall be given to the grievant using form GP-4-b.

- A. In the event the grievant(s) fails to exhaust its remedies under the grievance procedure provided above, or fails to abide by the time limits with respect to each step, the grievance shall be presumed to be abandoned and the matter shall be settled in accordance with the Administration's last answer thereto. All meetings and discussions necessary to implement Step 3 and Step 4 shall be conducted after school hours or on non-school days. The grievant(s) must exhaust all steps in the grievance procedure before seeking any other type of relief.
- B. If the administrator fails to abide by the time limits with respect to each step, the grievance shall be advanced to the next step of the grievance procedure by the grievant's filing the appropriate forms with the proper official.
- C. Time limits provided in the grievance procedure shall be strictly observed but may be extended by a written agreement between the parties.
