2. **Unsatisfactory Performance** - If you are having difficulty performing your job in a satisfactory manner, your supervisor will advise you of such and will coach you about improving your performance through an Improvement Plan. If you continue to perform at an unsatisfactory level, you may be terminated. Normally, the steps taken in an improvement plan and disciplinary action will be as follows:
 - a. Discussion with your supervisor (verbal warning); the supervisor will document the discussion in writing;

 - c. Suspension and/or Final Warning;
 - d. Discharge

There may be instances when the severity and impact of your unacceptable job performance causes serious financial losses or public embarrassment or attention to the New Castle Community School Corporation. If such happens, one or more of these steps may be bypassed. In such cases, the severity of the problem, your past performance, and your length of service may be considered before disciplinary action, including immediate discharge is taken.

Employment Period and School Year Calendar

The employment period for the New Castle Community School Corporation is July 1 through June 30, unless otherwise specified. This is the time during which employees are normally employed. The schedule for student attendance for the New Castle Community School Corporation is 180 days. Teacher contract days consist of 183 days.

Twelve Month Employees (260 days) – Twelve month employees will work Monday through Friday, each week in the year with the exception of the holiday schedule approved annually by the Superintendent of Schools and earned vacation days as enumerated in this handbook.

Less than Twelve Month Employees (Less than 260 days) – The number of days stated for each particular position shall be worked unless otherwise specified by the supervisor and/or department director.

The work week hours will be established by the Community Education Center each year and communicated to administration. These hours may vary between positions as necessary.

School Closing Procedures

The New Castle Community School Corporation will follow Administrative Guideline # 8220-School Day when determining when the schools will be open. Each subsequent section will outline which positions are to report to work due to school closings or delays. The following procedures are outlined to help clarify for faculty/support staff, parents, and students when and how school may be closed due to inclement/adverse weather or other unforeseen conditions.

Please be assured that school officials survey the weather and road conditions in light of total safety for those concerned. Your cooperation is needed and appreciated.

PLEASE DO NOT CALL the Community Education Center or School building because you could tie-up telephone lines that may be required to notify all appropriate personnel. Your telephone, television and corporation web-site are the best sources for school closing information. The School Messenger System will be activated in the event of closings and delays.

Every effort will be made to have closing announcements to the various call systems and media prior to 6:30 A.M. When practical, continued school closing announcements will be determined prior to 11:00 P.M. When conditions are unstable or gradually improving, the final determination may not be made until early morning.

The absence of a closing announcement means that school will be in regular session with buses operating as near their regular schedule as possible. Early closing during the regular school day will be announced over the web-site, School Messenger System, and television stations. Parents not normally home during the day are asked to pre-arrange plans with their children in the event school must be closed early. In the event of heavy fog conditions or other short term weather conditions, school opening (and bus route schedules) may be delayed and announced using the procedure listed above.

Compensation during Closings/Delays

All support staff employees will be paid from their timesheets/cards for days or hours actually worked, according to the current rate for their category of employment. The approved job description for each category of support staff employee indicates the number of days and length of work day for which they may expect to be paid. E-Learning opportunities may be utilized for some employee groups and those will be communicated by those department directors and or building administration.

When classes are canceled by school officials, it is necessary for certain categories of employees to be on the job. There are categories of support staff employees who will not be required to report for work. The categories and their requirements are as follows:

DO NOT REPORT:

- Bus Drivers
- Assistants – Health, Instructional (teacher), Media, Special Education, and Title I
- Assistant Kitchen Managers, Cooks and all other Food Service employees

MAY BE REQUIRED TO REPORT:

- Kitchen Managers – Determined by Food Service Director
- 10-Month Secretaries – Determined by Building Administrator
- Clerks – Determined by Building Administrator

REQUIRED TO REPORT:

- Head Custodians/Non Supervisor Custodians – (report during normal shift hours)
- Bus Mechanic
- Support Staff Directors
- Administration Office Staff/12-Month Secretaries

The “required to report” positions listed above are to report to work as normal. (Family Illness and Sick days will not be permitted unless accompanied by an appropriate doctor statement.)

Instructions to obtain these reports can be obtained from the Human Resource Department at the Community Education Center. The prospective employee will be responsible for any fees attached to this report. All volunteers will be subject to an annual limited criminal history check; these reports will be done at the building level. As of July 1, 2017, Indiana Code requires an updated expanded criminal history check for current employees every five (5) years.

Employment Procedures/Responsibilities/Qualifications

Persons desiring to be employed by New Castle Community School Corporation in a support staff capacity shall file an online application with the Human Resource Department located on the

school corporation web-site under Employment Opportunities. The application will remain on file pursuant to county record retention schedule. Once vacancies are determined to exist, each position will be posted within and/or outside the school corporation as necessary.

Support staff, as a vital factor in accomplishing the mission of the corporation, must present themselves, the schools, and the community with dignity and honor and perform all tasks required of the position. To provide structure and guidance for employees, job descriptions defining responsibilities and duties, approved by the Superintendent, will be provided to each employee. Where applicable, employees must be eligible for a valid license or certification and possess said license or certification prior to being officially employed. An annual driving record will be obtained on each employee who regularly drives a corporation vehicle.

Evaluation Policy and Procedure

The School Board (Policy #4220) recognizes the importance of implementing a program of support staff evaluations for the purpose of promoting individual job performance and improving services to students, the Corporation, and to the public. Evaluations are conducted annually by a direct supervisor.

The goals of the Board's evaluation plan for support staff are:

- A. To improve and reinforce the skills, attitudes, and abilities which enable a support staff member to be effective in achieving assigned job goals;
- B. To identify and remediate weaknesses which prevent a support staff member from achieving the goals of assigned duties.

Mandatory Training

Each year employees will be required to complete mandatory training both online and in-person. The online training can be found on the corporation web-site and each employee has login credentials to access the professional development/training. The training can be found on the Human Resource Department Page.

Neglect & Abuse Reporting

In Indiana, any person who has reason to believe that a child is a victim of child abuse or neglect has a duty to make a report to Child Protective Services (CPS) or to the police. You should tell the building administrator/department director of this report immediately after. This report is made in compliance with Indiana Code 31-33-1-1 through Indiana Code 31-33-22-3, which provides for the protection of abused or neglected children/youth. The report should represent accurate and current information that is accessible about a suspected situation and should be reported in good faith on behalf of the child/youth.

Overtime Policy

New Castle Community School Corporation adheres to The Fair Labor Standards Act, which is the federal law regulating hourly wage rates and overtime compensation. The Act, as such, does not regulate hours. Essentially, it establishes a minimum wage and regulates the conditions under which hours of work must be compensated at the premium rate of time and one-half. Overtime compensation is calculated only on worked hours which exceed forty (40) hours in a work week, less any form of

leave, ~~holiday~~ or vacation time. Any overtime must have prior administrative approval except in compelling circumstances (where director/employee have previously discussed a need) or emergency situations, in which case, the direct supervisor should be notified as soon as possible.

The following rules apply:

1. No support staff non-exempt employee is permitted to work any overtime for pay except as authorized by the superintendent, building principal/assistant principal, or support staff director.
2. Therefore, non-exempt employees are authorized routinely to work only during the stated hours and days of their assignment and not for overtime pay unless otherwise authorized/permitted in item #1 above.
3. Exceptions are indicated in each employee group section if applicable.
4. **Compensation of Time** (comp time) may **not** be earned except in rare instances with prior approval by the Chief Financial Officer. Employees are required to work only the hours of their shift.

Payroll Information

All employee work hours and schedules shall be established by the employee's designated supervisor and authorized by the Superintendent or designee. Work schedules, including shifts and breaks, shall be established based upon the needs of specific assignments or duties. Employees may not leave corporation grounds during a regularly scheduled break. All employment is established on an at-will basis. The establishment of employee hours and wages shall not be construed as a guarantee of a minimum period of employment or earnings.

The building administrator or support staff director shall be responsible for verifying the accuracy of time cards/sheets for hourly employees. Time cards/sheets should reflect accurate work hours, leaves or other credits based upon adopted policy. Overtime for all support staff must be approved by the department director and/or building administrator (except in emergency situations) before such work is scheduled to begin (see Overtime Policy above). Salary payments shall be bi-weekly according to the pay schedule. The School Board of Trustees shall approve salary schedules on an annual basis.

Personnel Records - Board Policy #8320-Personnel Records

Certain information concerning Corporation employees is confidential, to be reviewed on a need-to-know basis and only under conditions which guarantee protection of both management's right to access information and the employee's right to unnecessary invasion of privacy. Most information in the personnel files, however, is not confidential and is available for inspection in accordance with State Law. Please see the complete Board Policy for additional information which includes a listing of potential items to be included in each employee's file.

If you wish to review your personnel file, you may do so (except for previous employment references) by contacting the Human Resource Department in the Community Education Center. The Human Resource Department will arrange for you to review your file. You may have a copy of any document in your personnel file; however, if the copying is extensive, a fee for such copying has been established by the School Board of Trustees in Board Policy #8310-Public Records.

Resignation/Termination

The New Castle Community School Corporation recognizes the value of retaining experienced employees and the high costs resulting from frequent turnovers. Therefore, we try to minimize the need for and incidence of termination of New Castle Community School Corporation employees, either voluntarily or involuntarily. However, the employment of any person covered by the policies and practices in this Employee Manual may be terminated at any time with or without cause or advance notice.

1. **Voluntary Termination** – You may resign from the New Castle Community School Corporation at any time. Each employee shall give at least two (2) weeks’ notice of their intention to resign to be classified as resigned in good standing. The same notice period shall be given by the school corporation if employment is to be discontinued, except in the case of immediate dismissal.
2. **Involuntary Termination** –

Employment Notifications

Consolidated Omnibus Budget Reconciliation Act (COBRA)

COBRA is federal health coverage protection. It is not health coverage. COBRA requires employers with twenty (20) or more employees to provide their employees and their dependents the right to continue health insurance coverage after a qualifying event such as leaving a job. An individual that is terminated for gross misconduct is not eligible for COBRA. In order to continue your health insurance, you must pay 100% of the total health insurance premium. Contact the Superintendent's Office if you have questions concerning COBRA.

Family Medical Leave Act (FMLA)

In accordance with Federal law, the School Board shall provide up to twelve (12) weeks of unpaid FMLA leave in any twelve (12) month period to eligible professional staff members for the following reasons (see Human Resource Department for details):

- ✓ The birth of a child and/or the care of a newborn within one (1) year of the child's birth;
- ✓ The placement of a child with the staff member by way of adoption or foster care and/or to care for the child within one (1) year of the child's arrival;
- ✓ The staff member is needed to care for a spouse, son, daughter or parent if such individual has a serious health condition; or
- ✓ The staff member's own serious health condition prevents his/her from performing the functions of his/her position.

Health Insurance Portability and Accountability Act (HIPPA)

HIPPA makes health insurance portable. Portability in HIPPA means that once an individual has health coverage, this coverage may be used to reduce or eliminate any pre-existing condition exclusion that might be applied to an individual who moves to another employer's group health plan. The concept of portability is really one of an individual receiving credit for maintaining health coverage, even though it may be under different health plans or policies. Portability does not mean you can carry your current health benefits or current plan or policy with you when moving to another health plan or policy. Contact the Superintendent if you have questions concerning HIPPA.

Medicare

Part of the contribution to FICA (Social Security) is designated by the Federal Government to pay for your Medicare Benefits after you reach the qualifying age.

The Congress of the United States determines how much money must be contributed from a payroll check. That deduction and the corporation's contribution are forwarded to the Social Security Administration for deposit into your account.

New Castle Community School Corporation pays for unemployment insurance for every employee. Unemployment insurance benefits are designed to assist New Castle Community School Corporation employees in the event of termination through no fault of their own.
